number of convictions made indicted in regard to the buying and soiling regret to say I have been unavoidably of Manile Lottery tickets in this colony since the recently enacted gambling ordinance has been in force? The hon, gentleman proceeded to say Under this ordinance most stringent measures are taken to suppress gambling, in fact we hear of police reids with the last we hear

His Excellency asked if the hon, member proposed to discoust the question now. that was unusual before the question was

Mr Belilion said he wished merely to to this so long as anything of a controver-

sial nature was avoided. Mr Belillos The ubject of this duration to accertain, considering the impoverished state of the colony, how far any vigilance colony to Mapila for lottery tickets.

SUMMANURA MASTINGS AND THE WATER POLICE APPOINTMENT. Mr Whitehead, pursuapt to notice, ask

ed the following questions :--With reference to the notification No. 1891, notifying the appointment of Commander W. C. H. Hastings as Superin this colony, members of the Chinese com- to make with regard to Mr Belillos' suggestendent of the Water Police' will the Government inform the Council :-- (1.) If Commander Hastings has yet assumed the duties of that office. (2) If not, has Commander Harrings received any emoluments pettaining to the office in addition to free residential quarters, Teim Sha Toui, &c. (3.) If so, what do they amount to, and what is the estimated value of the free quarters do. (4.) Is Commander Hastings will drawing any emoluments in respect of the office, and if so how much, (5.) If the duties of the office, what does Government intend to do in respect of the post. (6.) Will the Government lay on the table any papers pertaining to the prestion of the duties of the office by Commander Hast-

The Colonial Secretary-Sir, the hon. member's question comprised hix questions which will be most conveniently answered is No. The second question it is a little difficult to answer satisfactorily. Before the amountment of Superintendent of the Water Polite was made Commander Hastings drew a salary of \$2640. In view of his appointment as Superintendent of tree Seer thry of State. has sanctioned his salary being fixed at the rate of \$3000 irrespective of whether he continues or does not continue to hold the post of Superintendent of the Water Police. The third question is partially answered in the answer to the second: As to the remainder the estimated value of the quarters may be taken at about \$70 per month. In reply to the fourth question I have to state that tinue to draw, under the arrangement I merce stigmatised the Po Leupg Kuk as a tinue to draw, under the arrangement I secret society, very serious charges against slight amendment. Since Mr Fielding have just explained, salary at the rate of the secret society, very serious charges against slight amendment. Since Mr Fielding \$3000 per annum. He has ceased to be received three months' notice to vacate the quarters. With respect to the fifth quenof the following papers. The Colonial Sethe office are being disokarged by an Incretary then recited a long list of letters, hardly be called justifiable. I think as minutes and despatches As the matter reminutes and despatches.] As the matter repermanent interest Louis not propose to print theep papers, which are somewhat voluminous, but they will remain on the table, or will be under the charge of the Clerk of Councils, so that any member who is interested in the subject may at any time be able to see them.

THE ECOLESIASTICAL CHAPTS. tion :- With reference to the grant of \$3000 most respectable, gentlemen who the division is to be made. The Colonial Secretary-Siri in answer

to the evention I have to state that the See ctary of State has sanctioned the allottacht of \$600 per anoun to the Anglican pirchmetanoes of the case?

The large dehe would be glad to receive them, as it was

The Attorney General, in moving the second reading of this measure, referred to early wants of the colonisis in this Colony was a church where they could worship as they were accustomed to worship in the old country, and the history of the formation and building of the church was contained in the two short Ordinances which are repealed by this Ordinance-Ordinance No. 2 of 1847 and Ordinance No. 3 of 1850. The recital of the first Ordinance showed that several persons had subscribed money for creeting a church, and that the Government, in consideration of certain stipulations, consented to grant from the public chest a sum equal to double the amount of the subscriptions. It was provided, however, that the total grant of the Government was not to exceed £4,600 sterling. He was not sufficiently acquainted with the history of the Colony as to the grant, but he took it that the grant was partly paid out of Imperial funds and partly from Colonial Women and Girls' Protection Ordin nee,

funds. The subscribers were to appoint which came into force on the lat of April two trustees and the Government four 1801, has proved successful and has justified trustees. That was done, and to these the anticipations formed regarding the ning in former years of appending to do not want to oppose it because I think trustees the church and the land on which effect which it would have in helping to Chaplain was made chairman of the trustees, | concerned. Under Part L, which deale certain mittings were to be reserved, and the with the abduction, selling, &c. of women rest of the Ordinance might be described as and girls for the purpose of emigration, providing machinery for carrying out the &c., 20 prosecutions were instituted in wants of the Church as might arise from volving 25 persons (see Table II). time to time. BHOOTING MONGRONG RIPLE ASSOCIATION.

Eleven competitors appeared on Saturday te 23rd inst. The same uncertain wind which prevailed at the Reates westingevi Desubroo ben storileding on the later rather poor scoring at 500 and 600 rards. On the part of the majority, though, two excellent totals of 91 were made. Mr Warnock won the 200 yards spoons, fishing and beating Mr Watson with an excellent 31. Lieut. Dunden, R.N., took the 500 fards spoon with 31, while Mr. E. Rebinson just suptured the 600 yards from Mr Welch, I.N., both scoring 31. The best ten scores. appended, show an average of only 78.40 as compared with 88.7 is the last match, in which it will be semembered, however, that Hongkong had the advantage of beautiful wenther. Such a total as 784, however, will

HONGKONG VOLUNTEERS . THE CARRISON. A shooting match between the Volunteers and Garrison took place on Saturdar at the Kowloon Range. The Garrison were sole Hongkong being one of the chief centres to put an exceptionally strong team into of their opponents. At the 200 yards, the three points of which the Volunteers're

FOOOBOW NOTES.

Since the Chinese new Year, over 500 shops of various trades have closed, owing to the great depression of trade; and many more, it is said, must follow suit before long. There is no doubt that Foodhow and the neighbourhood are passing through

a very bad time. Our further information as to advances being made to the teamen is, that it does not exceed twenty per cent of the amount loaned for this business last year. But few of the Honge have been in a position to advance any dollars at all. These sdrances do not go into the country entirely in the form of trements ; some portion in converted into opium and lead. In connection with the sending of this breamire, sto., to its destination, we understand that representations having been made to the authorities of the frequency of highway The Committee of the Po Leang Kuk, robberies, guards have been placed from

girls to their parents or relatives could not and, though the Committees of this and A great deal of foreign property has of be carried on so effectively. The Com- fortner years have worked zealously and late years passed into the hands of natives, mittee of that Society, being as a rule com- enccessfully, there have been occasions and we understand that it is the intention Registrar General in 1891, was \$22,765.79. posed of natives of China, with relations when this has not been the case. To of the authorities to levy the usual taxes The Revenue collected by the Department and connections in that country, is in a obviate this, I think the constitution of the on such property, besides obliging the amounted to \$76,177.11. A comparative position to make enquires which could not Society should be altered. Instead of the owners to register it as native owners statement of the Revenue of this Department | be conducted by officers of the Government | Committee being changed annually as at | The cost of registering is nominally four or for the years 1890 and 1891 together with a unless through the Consul-General at Can- present, I would suggest that a permanent five per cent. of the value, but, it is said detailed statement of the revenue derived too. This would involve unnecessary Committee consisting of eight members, that the squessing in the form of cumshaws from boats and markets in contained in Table delay, and would most probably be very who are interested in the work of the that would have to be paid, to the door-I From this stit ment, it will be seen that questisfactory in its results, to judge from Society and who have already worked bard keeper of the games to begin with, up to in connection with it, should be appointed, the man next to the mandaren, would portunity of comparing the amendments and as compared with \$60,038,58 in 1890, show- the usual official channel to the Chinese their appointment to be subject to the ap- amount to something as formidable, that proval of the Governor, and vacancies in | no further foreign property will In adition to the women and girls already the Committee to be filled up, subject to purobased by the natives if the registering referred to, there are a number of girls the same approval, by members recom- is enforced.
